part-time model

tell me what to wear don't you know who i am? how to do my hair you don't even know who i am you like my accent you want my voice in your ear feigning interest you don't listen, you just hear • oh honey i don't want your help keep your opinions to yourself you tell me i • i could be a part-time model that i look better when i smile well i could be a part-time model baby thanks for your advice maybe i'll be a part-time model • perfect gentleman think i'm a noble cause so presumptuous assume you know what i want • oh you could not imagine me i'm so much deeper than you see you tell me i • good to know what i'm good for good to know i could never be more •

veritas serum

tell me once again i didn't make the cut is it because i'm way too in love with us? tell me once again was I not good enough? did i not let my hair down or show you enough? • and i got way more soul than you care to notice excuse me sir, but i have a question what the fuck does the word "authentic" mean? and i could swing in step if you needed me to let me guess, i don't have the look you're looking for but you're missing out on this • where did the truth go disappear to? why do the youth crave to use? lies in the news thought we could trust you money abuse you can't refuse • tell me what i need to make you spill your guts should i mix up the potion called veritas serum tell me what you need to look me in the eye and get me to believe it's not worth a try • look me in the eye and tell me the truth même si la verité n'est pas douce •

princesses & queens

broken homes and stolen toys i've heard these stories all before hurtful men and selfish friends i've seen these people everywhere • cinderella was hurt by a careless world and mulan was ignored as a girl what do i make of that? do i speak my mind? or do i just pretend that i'm fine? • call the carriage take me home i can't stay here anymore leave my baggage by the door i'm not welcome anymore • pretty lady stupid whore I've heard these said to me before "you should know if you smile more you'll find the man you're looking for" • princesses and queens do they mean a thing? if i could i would make myself a king •

let's not pretend

tension building up between two bodies self-made electricity one look and my head's already spinning don't need an amphetamine break down a physical connection something i cannot explain won't you take a stroll, step into my space promise that i won't be mean • and let's not pretend that i'm not in your head i've known you for a while and we're not "just friends" so, in good old fashioned taste just take me by the waist and prove to me that all this was worth the wait • make moves slick your hair back, suavemente 'cause i'm not leaving without you ladies never say who they've been kissing so whatever you heard wasn't true • sweet talk and booze will work wonders on you all that you need is a bit of a tease • let's not pretend that i'm not in your head let's not pretend that we're not more than friends •

none of you

seen from afar i'm harmless i don't know why when they get close i'm not the kind they like i don't know why • scared him off no he won't come back for what it's worth the boy didn't have what it takes to be my one and only i'm moving straight onto the next one scared him too these guys can't take shit how many times do i gotta tell you to make a move what am i, your mama? well, mama don't want none of you • mama don't want none of you she don't like to be overruled you're not strong enough she's taking the cuffs off of you 'cause mama don't want none of you • they all approach quite brazen at least they try i say something outspoken then they're all shy • cat got your tongue? sir, can i help you? it seems that you've been outperformed by a girl no less who you tried to take home accept your defeat, run along • i see you walking to me please god, let this one be the man that's as strong as me no fragile masculinity
